

The
MUGA Project Leaders

supported by

are pleased to announce the launch of an exciting new project for the community.

A "MUGA" (Multi Use Games Area)

is proposed for the area behind the Village Hall and would look something like this:

The MUGA would be floodlit so that it can be used in the evenings, serving children and adults within the community and from the surrounding area. The Hall car park will be extended to facilitate this. At a public meeting at the village hall on Wednesday 2nd February, the idea was discussed and received wide support and so will go ahead. Everything possible will be done to minimise light pollution. Plans will soon be submitted to the MSDC. A lot of work needs to be done as we move ahead. The project will be financed by fundraising, grants and of course any donations towards the project would be gratefully received. Letters of support for the project can be sent to Tracey Tompkins, Shearings Lodge, 4 Street Farm Court, Mendham. For more information please contact Tracey on (01379)852969 or Colin Herbert on (01379)588202
